¹ Approved outside scholarships with StepUpForStudents (SUFS). SUFS elementary (K-3) and SUFS elementary/middle school (4-8) scholarship amounts vary depending upon County of residence. Scholarships are prorated depending on the date of enrollment into the school. There are certain restrictions that apply for approval of these scholarships. Awarded scholarship amounts will be applied to tuition costs but will not exceed the total tuition. For scholarship amounts not covering the total tuition costs, the difference is covered through family pay. All families, regardless of church affiliation, are encouraged to apply for the SUFS scholarship.		
² Member families with more than one child may receive up to an additional \$100 in church tuition assistance for the additional children.		
³ Additional Financial Assistance may be available for families with a financial need. This assistance will not take the place of a scholarship. All requests for Assistance must be made prior to enrollment.		
**Uniforms (shirts, pants and jackets are available through Frenchtoast.com)
